1. Membership

Helen informed us that we currently have 175 members, 66 of these are registered with England Athletics. Since April we have had 29 new members join the club. The old members who haven't renewed are thought to be around 30.

2. Treasurer's Report

Jan Anglim reported a healthy balance in the Bank, as of 26.8.14.

Full on Sport have been paid in advance for SHM Results and Chip Timing to save on VAT. Gang Warily have also been paid in advance. – Total of these amount to £2034

HR also has an expenditure of £244 which belongs to the CC6

HR account 'Year to Date' stands at an overspend of £98

We have received £180 as part refund for coaching courses earlier this year

Several affiliations to pay (x/c £90 and HRRL (last year £80)

Clock is hired out for 4 events (Xmas Pud event has been cancelled)

Jan also wished it be noted that further expenditure for the rest of the year will probably reduce our club funds.

3. Coaching

Chris Harris reported coaching sessions are going well with Andy & Steve being creditable additions to the coaching team and their training sessions being really good. They are also attending the coaching meetings and supporting Chris and Neil. The transition for training to revert back to the roads will begin at the end of September.

She reports that motivation is excellent at the club with 12 men and 5 or 6 ladies taking part in the SHM, 2 of the ladies who will be running their first half marathon are from a previous beginners group

Chris mentioned that several runners have spoken about more core work during the winter months. Chris asked if it was possible to exchange the arrangement that we have for showers at Applemore for a room where core sessions could be held. The committee discussed this but thought that Applemore would not concede to this due to the disparity in cost. The committee also thought that there are a number of classes held at Applemore for this type of work.

It is understood that Kim's Tuesday morning beginners' group have now started

4. Club Kit

Leonora absent.

5. HRRL League.

Adrian absent but issued the following statement:

2014 HRRL league is starting on the 7th September, with the Overton 5 mile. We have typically struggled to get members to this one, I'm pleased to say we currently have enough runners entered for two male teams, and one female team. I will ask John to put out a last reminder for this race, and details for lift share before the end of this week. Unfortunately I did not consult the Race dairy before booking my holiday so will not be running this one myself, I will however be at the Victory 5 the following week, the day after the Test Valley Relay, so far we have enough entries for a male and female team for this one, however I will include this in the Overton follow up email this coming week, so hopefully we can get a few more entries.

Solent Half currently has enough Hardley runners for 2 male and 1 ladies team.

6. Cross Country

Ian reports that the fixtures have been agreed and published on the website.

Action: Ian B to prepare a fixture list for the Applemore noticeboard and send to Chris Harris.

7. CC6

Ian O reported back from CC6 League meeting held on 28th August. Main points were:

- Will again go for 7 races
- Scoring for the series to change to 4 from 7 for individuals and stay at 6 from 7 for teams
- Expenses for 2014/15 season to stay at £50 per club
- Vote carried to continue to allow 'open' races (not excluding faster runners).
- Medical cover will again be provided by Collingwood Medical
- Home teams will no longer be able to compete in their own race. (It was felt that smaller teams were being disadvantaged as they needed all their members for marshalling)
- Our race date 9th Nov 2014

8. Solent Half – Committee

To date there are 226 entries (226 x 18 = £4068)

Estimated max expenditure for the SHM is £6340 plus charity donations of up to £1000 means we will need 408 entries.

Mick also showed the committee member a sample of the towels to be included in the goody bag.

10. RR10

Lisa Lewis reported that the season had gone really well probably helped by the good weather.

She commented on the number of new members who had shown up for events including some 'youngsters'. With the exception of Fairthorne Manor (which had a few holes to contend with) there was no negative feedback regarding courses.

It would appear that the league has grown in numbers attending again.

11. Test Way Relay

Hardley will only be entering a single 'Mixed' team at this year's event to be held on Sept 13th. Jeremy will captain this team.

12. Website

Jeremy suggested that we make a donation to Hammy's chosen charity as he often uses his pictures on our website. The committee agreed a £25 donation.

He will also create a link to the participant list for the SHM.

He is still waiting for Kit photos and stock list to post on the website.

Action: Ian O to contact Leonora for the stock list

13. Publicity

Sue Renyard stated that there is an article and ad scheduled for the Herald on the 18th September. The Echo also had a small piece regarding the SHM

She will also submit an article to the Lymington Times once we have the Overton results

14. Social

Sam informed the committee that Neil has resigned from the post, due to work and other commitments.

Action: Sam will draft and send an email to HR community thanking Neil for all his efforts and calling for volunteers to assist Sue.

It is understood that the Xmas dinner is to be held at the Bartley Lodge and will cost approx. £29.

Action: Mick to contact Sue for confirmation and date.

15. Any other business

Sue Renyard, after seeing a Sports Science article in the Echo from Stuart Bruce-Low suggested that maybe we could get him along to give a talk. All agreed it could be good.

Action: Sue to speak with Annie

Jeremy mentioned that the Southampton Marafun were looking for clubs to man drinks station in return for cash and publicity.

Action: Mick to contact them

Mick informed the committee that the Mile of Miles had raised £533 for the Alzheimer's charity.

Hawkhill Xmas Handicap is scheduled for the 21st Dec

Action: Ian O to check on Forest Home Pub (whether we can get an area set aside)

Sam commented on the success of the Social afternoon and expressed our thanks to Chris, Geoff, Leonora and Andy.

16. Date of Next Meeting

Monday 1st December at Mick Anglim's

Many thanks to Sue for hosting and the wonderful brownies, biscuits and refreshments

Meeting finished circa 9 pm

Minuted by Ian Ordish, Hardley Runners
